CHANGING ACADEMIC PUBLISHING

We celebrate topics and concepts other publishers typically shy away from, and our one-of-a-kind publishing model allows us to create learning materials for markets and courses that are often underrepresented. By working with professors we hope to change the academic publish world to bring more affordable learning tools to you the student.

COPYRIGHT INFRINGEMENT WARNING

The unauthorized reproduction or distribution of this copyrighted work is illegal. The copyright proprietors have licensed the material in this course pack for express use for the course and term listed on the cover and any other unauthorized use (including copying, leasing copies, or making the same available to or via the internet or authorizing any of the foregoing) is strictly prohibited.
