#### CHANGING ACADEMIC PUBLISHING

We celebrate books and concepts that publishers  
create and share today, and the role of a custom publisher  
model allows us to create learning materials for markets  
and courses that are often underrepresented. By  
working with professors we hope to change the  
academic publish world to bring more affordable  
learning tools to you the students.

#### COPYRIGHT INFRINGEMENT WARNING

The unauthorized reproduction or distribution of this
